BETWEEN THE GOVERNMENT OF THE RUSSIAN FEDERATION
AND THE GOVERNMENT OF THE REPUBLIC OF SENEGAL FOR COOPERATION
ON FISHERIES

AGREEMENT

RUSSIAN GOVERNMENT

February 8, 2011

(L)

The Government of the Russian Federation and the Government of the Republic of Senegal, hereinafter referred to as the "Parties"

based on the mutual desire to strengthen friendly
Relations between the Russian Federation and the Republic of Senegal,

based on the desire to develop the scientific, technical and economic
cooperation in the field of fisheries,

Taking into account the United Nations Convention on
Law of the Sea, 1982, and recognizing the sovereign rights of the Republic
Senegal regarding the use, conservation of living marine resources and
management in the exclusive economic zone of the Republic of Senegal,

Aware of the role played by marine fisheries, including
fishing industry in the economic and social development
Republic of Senegal, as well as taking into account the desire of the Republic of Senegal to
modernize its fishing fleet,

understanding the importance of conservation, sustainable use of living
marine resources and protection of the marine environment,

intending to ensure the conservation, management and long-term
the use of living marine resources, as well as cooperation
to control all kinds of fishing activities for
improving the effectiveness of the use and conservation of
resources

Convinced that the implementation of appropriate economic
and social problems, as well as the conservation of fish stocks and their
management will contribute to closer cooperation
in science, technology and the economy,

based on the desire to develop cooperation in the field of fisheries
between the two countries on a long term basis of equality and mutual
benefits

Recognizing the need to develop and coordinate the efforts of the two
States in the field of scientific and technical research in the field of
Fisheries

intending to build a relationship in a spirit of mutual trust and respect
common interests in the field of fisheries,

Have agreed as follows:

Article 1
Goal

This Agreement is a framework sets out the principles and
rules for the development of cooperation in fisheries between
The Russian Federation and the Republic of Senegal in a mutually beneficial and

equitably in accordance with the laws of
Parties.

Article 2 Applications

The Parties shall promote cooperation in the following areas:
conservation, control, management and monitoring
living marine resources;

development of the system of control over fisheries, including
preventing, deterring and eliminating illegal, unreported and
Unregulated harvesting of living marine resources;

exchange of information and documentation on fisheries,
of common interest;
